SERENITY ALCAIDESA A HIDDEN GEM

There's a hidden gem under infinitely blue Spanish skies, where pristine beaches and lush vegetation create the perfect backdrop for relaxation or family activities. A little paradise on the Costa del Sol, set within a tranquil natural parkland setting, yet within easy reach of the bustling hubs of Marbella, Benalmádena and Málaga; Alcaidesa is a nautical "Gateway to the Mediterranean" situated close to the Straits of Gibraltar.

This unique and privileged gated community adjoins the Guadalquivir nature reserve, and the distinctive topography of the area plays an enormous role in its landscape. Together with long stretches of sandy beaches and acres of undulating green golf courses, the landmarks of the Rock of Gibraltar and Africa provide a spectacular backdrop to this tranquil and prestigious setting.
